INDEPENDENT AUDITOR'S REPORT

To the Board of the Jim Pattison Children's Hospital Foundation Inc.:

Opinion

We have audited the financial statements of Jim Pattison Children's Hospital Foundation Inc. (the Entity), which comprise:

- the statement of financial position as at July 31, 2024
- the statement of operations for the year then ended
- the statement of fund balances for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements, present fairly, in all material respects, the financial position of the Entity as at July 31, 2024, and its results of operations and its cash flows for the year then ended in accordance with Canadian Accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. Other information comprises:

• the information, other than the financial statements and the auditor's report thereon, included in the Annual Report document.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit and remain alert for indications that the other information appears to be materially misstated.

We obtained the information other than the financial statements and the auditor's report thereon, included in Annual Report document as at the date of this auditor's report.

If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditor's report.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and
 events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Year ended July 31, 2024

1. Nature of Operations:

Jim Pattison Children's Hospital Foundation Inc. (the "Entity") was incorporated as the Children's Health Foundation of Saskatchewan Inc. on May 23, 1992 under the Saskatchewan Non-Profit Corporations Act. The name was amended to Jim Pattison Children's Hospital Foundation Inc. on June 23, 2017. The Foundation is a registered charity under the Income Tax Act.

The Foundation's purpose is to raise funds for the enhancement of child and maternal healthcare and the Jim Pattison Children's Hospital ("JPCH"). The Foundation is a proud member of Canada's Children's Hospital Foundation (formerly "The Children's Miracle Network"), serving children's hospitals across Canada, partnering with their National Sponsors to raise funds for the new JPCH.

In the event of liquidation, all remaining assets are to be distributed to a registered charity having similar objectives.

2. Significant accounting policies:

These financial statements have been prepared by management in accordance with Canadian Accounting Standards for Not-For-Profit organizations in Part III of the CPA Canada Handbook. The significant accounting policies used in the preparation of these financial statements are summarized below.

(a) Basis of presentation:

The Foundation maintains its accounts in accordance with the principles of restricted fund accounting. Resources are classified for accounting and reporting purposes into either the general fund, designated fund or endowment fund according to the activity or objective specified.

General fund:

The general fund accounts for the Foundation's operating activities, including the gift shop operations, as well as realized and unrealized investment income that is not externally restricted by donors for a specific purpose. Resources of the general fund are to be used to support the current needs for enhancement of child and maternal healthcare in Saskatchewan.

Designated funds:

The Foundation includes in the designated fund, externally restricted donations and contributions, and realized and unrealized investment income specifically designated for the JPCH, health care projects, and other pediatric related grants.

Notes to Financial Statements (continued)

Year ended July 31, 2024

2. Significant accounting policies (continued):

(a) Basis of presentation (continued):

Endowment funds:

The Foundation has established endowments from the Jim Pattison Foundation. The externally restricted endowment fund is comprised of donations that are permanently maintained in accordance with donor wishes. In addition, the endowment fund comprises internally restricted investment income earned on endowment funds that are maintained unless otherwise directed by the Board. Investment earnings are directed towards the specific purpose for which the endowment was established.

(b) Cash and cash equivalents:

Cash and cash equivalents consist of cash and investments with financial institutions with initial maturity of less than 90 days.

(c) Financial instruments:

Financial instruments are initially recognized at fair value and their subsequent measurement is dependent on their classification below.

The Foundation has elected to measure investments, other than guaranteed investment certificates, at fair value. Investment management fees are expensed as incurred.

Guaranteed investment certificates, accounts receivable, accounts payable and accrued liabilities are recorded at amortized cost. The fair value of such financial instruments approximate their carrying value due to the short-term period to maturity of the instruments.

Financial assets carried at amortized cost are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial assets. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

Notes to Financial Statements (continued)

Year ended July 31, 2024

2. Significant accounting policies (continued):

(d) Capital assets:

Capital assets are recorded at acquisition cost less accumulated amortization. The assets are amortized on a diminishing-balance basis at the following rates:

Office furniture and equipment Computer equipment

20%

30 - 45%

Donated capital assets are recorded at their fair value at the date of contribution if fair value can be reasonably determined.

(e) Donated materials and services:

Volunteers contribute a substantial number of hours each year to assist the Foundation in carrying out its activities. Because of the difficulty in determining their fair value, contributed materials and services are not recognized in these financial statements except for capital assets as described in note 2(d).

(f) Revenue:

Unrestricted fundraising and donation contributions are recognized as revenue in the general fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted fundraising and donation contributions related to general operations are recorded as deferred revenue and recognized as revenue of the general fund in the year in which the related expenses are incurred. All other externally restricted contributions are recognized as revenue of the appropriate restricted fund in the year received.

Externally restricted endowment contributions are recognized as revenue of the endowment fund when received.

Investment income, which consists of interest, dividends and changes to fair value of investments (realized and unrealized), are recorded in the appropriate fund in the statement of operations when earned.

Interfund transfers represent internally approved transfers of money between funds. Transfers from the general fund are comprised primarily of transfers to the designated fund to the Pediatric Chair designated fund; and to the endowment fund with respect to investment income and unrealized gains and losses that are not otherwise subject to external restrictions.

Notes to Financial Statements (continued)

Year ended July 31, 2024

2. Significant accounting policies (continued):

(g) Allocation of expenses:

The Foundation allocates certain salary and employee benefit costs to fundraising expenses. These costs are allocated based on estimated hours spent by employees on fundraising activities.

(h) Use of estimates:

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. Significant items subject to such estimates and assumptions include the fair value of investments, collectibility of accounts receivable, and the estimated useful lives of capital assets. Actual results could differ from these estimates.

3. Tax status:

The Foundation has been granted tax-exempt status as a registered charity under paragraph 149(1)(f) of the *Income Tax Act*. In order to maintain registered status, a public foundation must fulfill certain annual expenditure requirements.

4. Capital assets:

		Λ,	ccumulated	 2024 Net book	2023 Net book
	Cost		mortization	value	value
Office furniture and equipment Computer equipment	\$ 6,894 79,859	\$	6,516 69,120	\$ 378 10,739	\$ 473 9,412

	\$ 1,874,519	\$ 1,870,468

10. Financial instruments and risk management:

The Foundation manages its investment portfolio to earn investment income and invests according to the Foundation's investment policy and the Board's direction. In addition, the Foundation's external investment advisors manage the investment portfolio and make adjustments according to risk tolerances set by the Foundation and Board of Directors. The Foundation is not involved in any hedging relationships through its operations and does not hold or use any derivative financial instruments for trading purposes.

The Foundation is exposed to market risk on its balanced fund investments. Investments consist primarily of funds managed by external investments advisors. These investments are subject to fluctuations in market value. The market value of investments is disclosed in note 5.

Due to the nature of the Foundation's investments, it is management's opinion that the Foundation is not exposed to significant interest or credit risk arising from these financial instruments.

Additionally, the Foundation believes it is not exposed to significant liquidity risk as all investments are held in instruments that are highly liquid and can be disposed of to settle commitments.

Notes to Financial Statements (continued)

Year ended July 31, 2024

11. Commitments:

a) The Foundation is committed to disbursing funds for the purpose of provincial programming, partnerships, fellowships and equipment needs for the new hospital. The following commitments have been made for contributions by the Foundation in future years:

b) Lease commitments - Estimated future minimum lease payments under operating leases for the rental of office space for the next 5 years are as follows:

2026 2027	\$ 76,396
2028	76,772 80,912 6,774

The Foundation's lease agreement is for the period of September 1, 2020 to August 31, 2027. Minimum future lease payments for office space consist of base rental charges. Occupancy costs and applicable taxes, currently estimated at \$23,000 per annum, will be in addition to the base rental charges indicated above.

12. Roughrider & Children's Hospital Foundations Lottery:

Roughrider & Children's Hospital Foundations Lottery (the "Lottery") is an investment for a long term sustainable project which was approved by the Board of Directors of each foundation respectively. The Lottery is a joint initiative with the Saskatchewan Roughriders Foundation, whereby both parties have funded the expenses incurred and shared in revenues earned equally. Included in the general fund is net fundraising revenue of \$357,552 (2023 - net fundraising revenue of \$121,300) which represents the Foundation's share.
