INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Good Shepherd Refuge Social Ministries

Qualified Opinion

We have audited the financial statements of Good Shepherd Refuge Social Ministries (the Organization), which comprise the balance sheet as at March 31, 2024 and the statements of revenue and expenditures, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2024 and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not for profit organizations.

Basis for Qualified Opinion

In common with many not for profit organizations, the Organization derives revenue from donations the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Organization. Therefore, we were not able to determine whether any adjustments might be necessary to donation revenue, excess revenue over expenditures, and cash flows from operations for the years ended March 31, 2024 and March 31, 2023, current assets as at March 31, 2024 and March 31, 2023 and net assets as at April 1, 2023 and 2022, and March 31, 2024 and 2023. Our audit opinion on the financial statements for the year ended March 31, 2023 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not for profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

GOOD SHEPHERD REFUGE SOCIAL MINISTRIES
Notes to Financial Statements
Year Ended March 31, 2024

DESCRIPTION OF ORGANIZATION

Good Shepherd Refuge Social Ministries is a non-share capital corporation, with letters patent issued under Part II of the Canada Corporations Act and continued under the Canada Not-for-profit Corporations Act on October 10, 2013. Its primary purpose is to engage in charitable works and endeavours, of every nature and kind, and to establish, maintain and operate hostels or residences for people in need. As a result of its status as a registered charity, it is exempt from the payment of income taxes under provisions of the Income Tax Act of Canada.

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements were prepared in accordance with Canadian accounting standards for not for profit organizations and include the following significant accounting policies:

(a) Financial Instruments

(i) Measurement of Financial Instruments

The Good Shepherd Refuge Social Ministries initially measures its financial assets and liabilities originated or exchanged in arm's length transactions at fair value. Transaction costs related to financial assets that will be subsequently measured at fair value are recognized in the statement of revenue and expenditures in the year in which they are incurred.

Financial assets and liabilities originated or exchanged in related party transactions, except for those that involve parties whose sole relationship with the company is in the capacity of management, are initially measured at cost. The cost of a financial instrument in a related party transaction depends on whether the instrument has repayment terms.

The organization subsequently measures all its financial assets and liabilities at amortized cost, except for investments which are subsequently measured at fair value. Changes in fair value are recognized in the statement of revenue and expenditures in the period incurred.

Financial assets subsequently measured at amortized cost include cash, restricted cash - lottery and accounts receivable. Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities.

(ii) Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write down is recognized in the statement of revenue and expenditures. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the statement of revenue and expenditures.

GOOD SHEPHERD REFUGE SOCIAL MINISTRIES
Notes to Financial Statements
Year Ended March 31, 2024

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(b) Investments

Short term investments consist of fixed revenue securities capable of reasonably prompt liquidation or maturing within twelve months from the fiscal year end. Investments are recorded at fair value. Fair values are estimated using year end quoted market values. Investment revenue includes interest, dividends and realized and unrealized gains and losses. Transaction costs are expensed as incurred.

(c) Capital Assets

Capital assets are recorded at cost less accumulated amortization. Amortization of capital assets is recorded on a straight line basis over the estimated useful life of the assets as follows:

Land improvements	- 25 years
Buildings	- 25 - 40 years
Building improvements	- 10 - 25 years
Computer equipment	- 5 years
Furniture and equipment	- 10 - 15 years
Vehicles	- 4 - 6 years

Maintenance and repair costs are recognized as an expenditure when incurred. Betterments or improvements that significantly increase or prolong the service life or capacity of a capital asset are capitalized.

A capital asset is tested for impairment whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. An impairment loss is recognized on the statement of revenue and expenditures when the carrying amount of the asset exceeds the sum of the undiscounted cash flows resulting from its use and eventual disposition. The impairment loss is measured as the amount by which the carrying amount of the capital asset exceeds its fair value. An impairment loss is not reversed if the fair value of the capital asset subsequently increases.

(d) Revenue Recognition

The organization follows the deferral method of accounting for contributions which include funding from the provincial and municipal governments and other charitable organizations and donations from various donors.

Externally restricted contributions are recognized as revenue in the year in which the related expenditures are incurred.

Contributions externally restricted for capital assets are deferred and amortized over the life of the related capital asset (*Note 1(c)*). The effect of this policy is to include amortization of deferred contributions in current revenue, matching the amortization of the assets capitalized with these dollars.

GOOD SHEPHERD REFUGE SOCIAL MINISTRIES
Notes to Financial Statements
Year Ended March 31, 2024

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Revenue Recognition (Continued)

Unrestricted contributions are recognized as revenue when received or receivable if the amount can be reasonably estimated and collection is reasonably assured.

Revenue from bequests is recorded when the proceeds are received and any conditions attached to the bequests are acceptable to the organization.

Fees for services and other revenue are recognized as they are earned. Revenue from fundraising special events and a lottery are recognized upon completion of the event.

(e) Donations in Kind

Donations of food and clothing and other contributed assets received during the year are not accounted for in these financial statements, except for those where fair value can be reasonably estimated at the date of contribution, are used in the normal course of the organization's operations, would otherwise have been purchased and a donation receipt was issued.

(f) Contributed Services

Volunteers contribute an indeterminable number of hours per year. Because of the difficulty of determining their fair value, contributed services are not recognized in these financial statements.

(g) Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not for profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenditures during the period. Key estimates include the amortization period and rates for capital assets. These estimates are reviewed periodically and, as adjustments become necessary, they are reported in the period in which they become known.

Notes to Financial Statements
Year Ended March 31, 2024

4. CAPITAL ASSETS (Continued)

The parcel of land and related lease for property located at 412 Queen Street East and 10 Tracy Street, Toronto was transferred by the Little Brothers of the Good Shepherd (LBGS) to the Good Shepherd Centre for nominal monetary consideration in the March 31, 1997 fiscal year for the work of the Brothers.

The land at 10 Tracy Street is leased to Good Shepherd Non Profit Homes (GSNPH) under the terms of a 50 year ground lease dated August, 1991 at a nominal amount of \$2. GSNPH entered into a tripartite agreement in August 1991 with LBGS and the Ontario Housing Corporation to arrange a leasehold mortgage for the construction of a building on this property. As at March 31, 2024 the balance of the leasehold mortgage held by GSNPH on this property is \$825,323 (2023 - \$974,852) and matures April 1, 2029.

Good Shepherd Refuge Social Ministries is related to GSNPH as both organizations were established by the members of the religious order of the Little Brothers of the Good Shepherd (LBGS). In 2015, the LBGS canonically fused with the Hospitaller Order of St. John (HOSJOG) and is now known as the Hospitaller Order of St. John of God - Province of the Good Shepherd in North America.

A parcel of land at 1731 Lawrence Avenue, Toronto, was purchased during the March 31, 2022 fiscal year in the amount of \$5,634,915 plus professional fees in the amount of \$75,586, for which a building project named Mathias Place is still under development as at March 31, 2024. Management has applied to various levels of government for both capital and operating funds in order to obtain funding in the next fiscal year to develop the property into a viable non profit supportive housing operation.

As at March 31, 2024 a building improvement project for a fire escape in the amount of \$70,000 and an elevator upgrade in amount of \$57,167 (2023 - land improvement of \$31,828) were under development, as disclosed in *Note 13* and therefore, have not been amortized.

5. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

Included in accounts payable and accrued liabilities are government remittances payable relating to payroll taxes and workplace safety insurance in the amount of \$23,851 (2023 - \$19,589). Also included is a return of surplus unspent funds to the City of Toronto of \$165,046 (2023 - \$218,020).

6. DEFERRED CONTRIBUTIONS

Deferred contributions represents the unexpended portion of designated contributions including program funding and grants received that are related to expenditures for subsequent periods as well as monies received for fundraising events scheduled for the next fiscal year.

GOOD SHEPHERD REFUGE SOCIAL MINISTRIES
Notes to Financial Statements
Year Ended March 31, 2024

6. DEFERRED CONTRIBUTIONS (Continued)

Deferred contributions related to capital assets represents funding for the acquisition of capital assets which will be recognized as revenue in accordance with *Note 1(d)*.

	<u>2024</u>	<u>2023</u>

Balance, end of year	<u>\$ 376,461</u>	<u>\$ 395,193</u>

Funding was received for the year from the following:

Ontario Trillium Foundation (OTF) - elevator upgrade	\$ -	\$ 118,300
Ontario Health - fire escape upgrade	40,000	-
CMHC Seed funding - Mathias Place housing project	<u>-</u>	<u>150,000</u>
	<u>\$ 40,000</u>	<u>\$ 268,300</u>

The organization entered into an agreement with Canada Mortgage and Housing Corporation (CMHC) effective June 30, 2022 to June 30, 2024 to receive seed funding contribution of \$150,000 and a financial loan of \$26,450 which was repaid as at March 31, 2023, for the Mathias Place housing project. Eligibility for the contribution is conditional upon ongoing compliance with the terms and conditions of the agreement and the project must at all times meet the minimum affordability criteria in accordance with municipal/provincial standards or, as determined by CMHC. The OTF and CMHC funding of \$268,300 is in deferred contributions related to capital assets as at March 31, 2024 and March 31, 2023.

7. NET ASSETS INTERNALLY RESTRICTED

In 2002, the Board of Directors internally restricted \$750,000 of the unrestricted net assets to be held for project development purposes. During the 2008 fiscal year the Board of Directors internally restricted an additional \$150,000 of the unrestricted net assets to be held for project development purposes.

In 2005, the Board of Directors internally restricted \$150,000 of the unrestricted net assets to be held as a capital asset replacement reserve. During the 2008 fiscal year the Board of Directors internally restricted an additional \$150,000 of the unrestricted net assets to be held as a capital asset replacement reserve.

8. INTERNALLY RESTRICTED NET ASSETS INVESTED IN CAPITAL ASSETS

During the current fiscal year the Board of Directors internally restricted net assets invested in capital assets. Internally restricted net assets invested in capital assets are represented by the net book value of capitalized assets less related deferred contributions and debt. Net assets invested in capital assets represents the amount of net assets that are not available for other purposes because they have been utilized in capital assets.

	<u>2024</u>	<u>2023</u>
Capital assets (<i>Note 4</i>)	\$ 9,114,402	\$ 8,609,177
Deferred contributions related to capital assets (<i>Note 6</i>)	<u>(376,461)</u>	<u>(395,193)</u>
	<u>\$ 8,737,941</u>	<u>\$ 8,213,984</u>

9. DONATIONS

During the year, the organization issued receipts for donations in kind in the amount of \$174,582 (2023 - \$142,322) and cash donations of approximately \$6,671 which are included in donations and fundraising on the statement of revenue and expenditures.

Donations by major source are as follows:

	<u>2024</u>	<u>2023</u>
Bequests and estates	\$ 166,010	\$ 119,584
Foundations	328,268	291,453
In kind	174,582	142,322
Individuals and other corporate	1,537,653	1,538,326
Other not for profit organizations	<u>130,558</u>	<u>197,899</u>
	<u>\$ 2,337,071</u>	<u>\$ 2,289,584</u>

14. RELATED PARTY TRANSACTIONS

Good Shepherd Refuge Social Ministries is related to GSNPH as both organizations were established by the members of the religious order of the Little Brothers of the Good Shepherd (LBGS). In 2015, the LBGS canonically fused with the Hospitaller Order of St. John (HOSJOG) and is now known as the Hospitaller Order of St. John of God - Province of the Good Shepherd in North America. For the fiscal year ended March 31, 2024 Good Shepherd Centre paid rent to GSNPH in the amount of \$36,000 (2023 - \$12,000).

These transactions are in the normal course of operations and are measured at the exchange amount, the amount of consideration established and agreed to by the related parties.

15. FINANCIAL INSTRUMENTS

The following analysis provides a measure of Good Shepherd Refuge Social Ministries' financial instrument risk exposure and concentrations at March 31, 2024:

(a) Credit Risk

Credit risk arises from the potential that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The organization determines, on a continuous basis, amounts receivable on the basis of amounts it is virtually certain to receive based on their estimated realizable value. The credit risk on receivables is limited as the amounts owing are from municipal and other government entities. Substantially all of the organization's cash is held at one financial institution and as such the organization is subject to the risks associated with that financial institution.

(b) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The organization is exposed to interest rate risk.

(c) Interest Rate Risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rate. As at March 31, 2024 the organization had fixed interest rate investments as described in *Note 2* and a variable interest rate demand term loan as described in *Note* . Interest rate risk decreased as at March 31, 2024 with the repayment of the demand term loan. Fixed rate instruments subject the organization to a fair value risk while the floating rate instruments subject it to a cash flow risk.

15. FINANCIAL INSTRUMENTS (Continued)

(d) Liquidity Risk

Liquidity risk is the risk that the organization will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect to its accounts payable and accrued liabilities. The organization has sufficient funds to settle current liabilities. Trade accounts payable and accrued liabilities are generally paid within 30 days. The organization meets its liquidity requirements by preparing and monitoring detailed forecasts of cash flows from operations, anticipating investing and financing activities and holding assets that can be readily converted into cash. During the prior year liquidity risk decreased as a result of repayment of the demand term loan.

There has been no significant change to the risk exposures other than as noted above from the prior year.

16. COMPARATIVE FIGURES

Certain figures have been restated to reflect the presentation adopted for the current fiscal year.
