

Independent Auditor's Report

To the Members and Board of Directors of Parkdale Queen West Community Health Centre

Opinion

We have audited the financial statements of Parkdale Queen West Community Health Centre (the "Centre"), which comprise the balance sheet as at March 31, 2022, and the statements of operations and net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Centre as at March 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Centre in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the ability of the Centre to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Centre or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the financial reporting process of the Centre.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Independent Auditor's Report (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the overrige of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the internal control of the Centre.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Centre to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the centre to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes to Financial Statements

March 31, 2022

Nature of operations

Parkdale Queen West Community Health Centre ("Parkdale Queen West") is a resource to improve the health and quality of the life of the communities of Parkdale and Queen West. Parkdale Queen West achieves its mission through primary health care, dental, health promotion, counselling, mental health support, HIV/Hep C support and education, harm reduction, chiropody, diabetes education and prenatal services.

Parkdale Queen West is a not-for-profit organization incorporated without share capital under the laws of the Province of Ontario. It is also a registered charitable organization under the Income Tax Act (Canada), and, as such, is exempt from income taxes.

1. Significant accounting policies

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

(a) Basis of presentation

There are two segments of Parkdale Queen West's operations - those funded by the Ontario Health and other government organizations and those funded by Parkdale Queen West itself. These financial statements present the operating results for both segments.

(b) Unfunded payroll obligations

Parkdale Queen West has recorded certain payroll obligations, such as accrued vacation pay in accordance with the accrual basis of accounting recommended by the Chartered Professional Accountants of Canada. However, it is the policy of Parkdale Queen West's funders, Ontario Health and Ministry of Health to fund such obligations when they are paid, as opposed to when they are accrued. The unfunded payroll obligations fund therefore represents the unpaid portion of the payroll obligations at the end of the year.

(c) Revenue recognition

Contributions

Parkdale Queen West follows the deferral method of accounting for contributions which include donations, government grants and other contributions.

Unrestricted (contributions, including donations and bequests from individuals, are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions are recorded as revenue in the year in which the related expenses are incurred and contribution conditions are met. Grants approved but not received at the reporting date are accrued. Where a portion of a grant relates to a future period, it is deferred and recognized in that subsequent period.

Notes to Financial Statements (continued)

March 31, 2022

1. Significant accounting policies (continued)

(c) Revenue recognition (continued)

Fundraising Revenues and Expenses

Revenues and expenses from fundraising events are recorded in the period in which the event takes place.

Other Income

Other income is recognized when services are provided

(d) Contributed goods and services

Donated goods are not recorded in the accounts, except when they are used in the normal course of business and when a fair value for such goods can be readily determined.

Volunteers contribute significant amounts of time to assist Parkdale Queen West in carrying out its service delivery activities. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

(e) Ontario Health - Financial Support

Ontario Health provides financial support to Parkdale Queen West under the terms and conditions of the Multi-Sector Service Accountability Agreement ("MSAA") previously agreed between Parkdale Queen West and the Toronto Central Local Health Integration Network ("LHIN") for the period from April 1, 2021 to March 31, 2022. These financial statements reflect approved funding arrangements under the MSAA.

(f) Financial instruments

(i) Measurement of financial instruments

Parkdale Queen West initially measures its financial assets and financial liabilities at fair value adjusted by the amount of transaction costs directly attributable to the instrument.

Parkdale Queen West subsequently measures all of its financial assets and financial liabilities at amortized cost.

Amortized cost is the amount at which a financial asset or financial liability is measured at initial recognition minus principal repayments, plus or minus the cumulative amortization of any difference between the initial amount and the maturity amount, and minus any reduction for impairment.

Financial assets measured at amortized cost include cash, investments and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities and amounts due to Ontario Health and Ministry of Health.

Notes to Financial Statements (continued)

March 31, 2022

1. Significant accounting policies (continued)

(f) Financial instruments (continued)

(ii) Impairment

At the end of each year, Parkdale Queen West assesses whether there are any indications that a financial asset measured at amortized cost may be impaired. Objective evidence of impairment includes observable data that comes to the attention of Parkdale Queen West, including but not limited to the following events: significant financial difficulty of the issuer; a breach of contract, such as a default or delinquency in interest or principal payments; and bankruptcy or other financial reorganization proceedings.

When there is an indication of impairment, Parkdale Queen West determines whether a significant adverse change has occurred during the year in the expected timing or amount of future cash flows from the financial asset.

When Parkdale Queen West identifies a significant adverse change in the expected timing or amount of future cash flows from a financial asset, it reduces the carrying amount of the financial asset to the greater of the following:

- the present value of the cash flows expected to be generated by holding the financial asset discounted using a current market rate of interest appropriate to the financial asset; and
- the amount that could be realized by selling the financial asset at the statement of financial position date.

Any impairment of the financial asset is recognized in income in the year in which the impairment occurs.

When the extent of impairment of a previously written-down financial asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to the extent of the improvement, but not in excess of the impairment loss. The amount of the reversal is recognized in income in the year the reversal occurs.

(g) Deferred capital contributions

Externally restricted contributions for the purchase of property and equipment that will be depreciated or amortized are deferred and amortized over the life of the related property and equipment. Externally restricted capital contributions that have not been expended are recorded as part of deferred capital contributions on the balance sheet.

(h) Deferred revenue

Deferred revenue consists of funds received for programs which will commence subsequent to or extend beyond the year end. Revenue is recognized when the related expenses are incurred.

Notes to Financial Statements (continued)

March 31, 2022

1. Significant accounting policies (continued)

(i) Property and equipment

Property and equipment are recorded at cost and depreciated over their estimated useful lives on a straight line basis at the following annual rates:

Building	2.5%
Building improvements	/1/0%
Office furniture and equipment	///2/0%
Medical equipment	// _{20%}
Computer equipment	33%

The above rates are reviewed annually to assess ongoing appropriateness. Any changes are adjusted on a prospective basis. If there is an indication that the assets may be impaired, an impairment test is performed that compares carrying amount to net recoverable amount. There were no impairment indicators in 2022.

(i) Investments

Short-term investments consist of money market funds and guaranteed investment certificates with maturity dates within one year from date of acquisition. Long-term investments consist of guaranteed investment certificates with maturity dates greater than one year from date of acquisition. Long-term investments maturing within twelve months from the year end date are classified as current.

(k) Pension plan

In accordance with CPA Handbook section 3642, the multi-employer defined benefit plan is accounted using defined contribution plan accounting due to sufficient information not available to use defined benefit plan accounting.

Parkdale Queen West's policy is to expense the contributions in the year in which the contributions are made to the Plan.

(I) Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year.

Key areas of estimation where management has made estimates relate to the useful lives of property and equipment, provision of contingent liabilities and valuation of other assets and liabilities. These estimates are based on information available as of the date of issuance of the financial statements. Actual results could differ from these estimates, the impact of which would be recorded in future affected periods.

Notes to Financial Statements (continued)

March 31, 2022

2. Financial instrument risk management

Parkdale Queen West is exposed to various risks through its financial instruments. The following analysis provides a measure of Parkdale Queen West's risk exposure and concentrations.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The maximum exposure of Parkdale Queen West to credit risk is as follows:

		2022 \$	2021 \$
Cash Investments Accounts receivable		5,197,515 2,018,948 1,629,210	3,081,419 1,004,511 1,783,755
	_	8,845,673	5,869,685

Parkdale Queen West reduces its exposure to the credit risk of cash and investments by maintaining balances with reputable financial institutions with high quality credit ratings. Parkdale Queen West is not exposed to significant credit risk in respect of accounts receivable as accounts receivable are primarily grants receivable and HST rebate. Details of accounts receivable are disclosed in note 4.

Liquidity risk

Liquidity risk is the risk that Parkdale Queen West will encounter difficulty in meeting obligations associated with financial liabilities. Parkdale Queen West is exposed to this risk mainly in respect of its accounts payable and accrued liabilities, amount due to Ontario Health and Ministry of Health and commitments. Parkdale Queen West expects to meet these obligations as they come due from the operating grants it receives from its funders and generating cash flow from other activities/operations.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk.

i) Currency risk

Currency risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate due to changes in foreign exchange rates. Parkdale Queen West is not exposed to foreign currency risk.

ii) Interest rate risk

Interest rate risk is the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate due to changes in market interest rates. Fluctuations in the interest rates do not have a significant impact on Parkdale Queen West's results of operations. Details of interest bearing financial instruments are disclosed in note 3.

Notes to Financial Statements (continued)

March 31, 2022

2. Financial instrument risk management (continued)

Market risk (continued)

iii) Other price risk

Other price risk is the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk). Whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all similar financial instruments traded in the market. Parkdale Queen West is not exposed to other price risk.

Changes in risk

There have been no significant changes in the risk profite of the financial instruments of Parkdale Queen West from that of the prior year.

3. Investments

Investments consist of the following:

	2022 \$	2021 \$
Short-term		_
Money market funds Guaranteed investment certificates	109,430 381,097	100,082 180,567
	490,527	280,649
	2022 \$	2021 \$
Long-term (
Guaranteed investment certificates	1,528,421	723,862

The Guaranteed investment certificates in short-term investments are redeemable and bear interest rates ranging from 0.85% to 0.90% (0.65% - 2021), with maturity dates in October 2022 and January 2023 (October 2021 - 2021).

The Guaranteed investment certificates in long-term investments are redeemable and bear interest rates ranging from 1.01% to 2.50% (0.85% to 1.40% - 2021), with maturity dates ranging from October 2023 to January 2027 (October 2022 to October 2025 - 2021).

Notes to Financial Statements (continued)

March 31, 2022

4. Accounts receivable

Accounts receivable consists of the following:

2022 \$	2021 \$_
282,334	471,563 1,312,192
1,629,210	1,783,755
-	282,334 (1,346,876

No provision for doubtful accounts receivable is set up as accounts receivable from program funders are related to ongoing programs under funding agreements with the federal, provincial or territorial government bodies and the amounts are fully collectible.

5. Property and equipment

Property and equipment

14. Litigation

Parkdale Queen West is party to legal proceedings which arose from normal business activities. The potential liability, if any, will not materially affect Parkdale Queen West's financial position.

15. impact of COVID-19 pandemic

The global pandemic of the virus known as COVID-19 led the Canadian Federal government, as well as provincial and local governments, to impose measures, such as restricting foreign travel, mandating self-isolations and physical distancing and closing non-essential businesses. Because of the high level of uncertainty related to the outcome of this pandemic, it is difficult to estimate the future financial effect on Parkdale Queen West.
